Vasathi Housing begins construction of second housing project in Hyderabad

May 10, 2012

Vasathi Housing has kicked off work for its second housing project in Hyderabad. A gated community residential project, Navya, could meet the demand of affordable segment. Located at Chintal, which comes close to Balanagar and Kukatpally in the city, the new project will have 190 apartments, along with a supermarket, medical facilities like polyclinic and pharmacy.

The developer also proposes to develop a state-of-the-art jogging track and other fitness infrastructure such as gymnasium, indoor play area, yoga room, children's play area and outdoor shuttle court in addition to a library.

All the blocks are earthquake resistant RCC framed structures. Also, each apartment is vastu compliant and designed to maximise space, sunlight and airflow. "The project is a unique proposition providing contemporary luxury living at affordable price-points," said PV Ravindra Kumar, CEO of the firm.

The project, which has begun its bookings, would be completed by October next year. The company is offering just two-bedroom apartments in three different sized units - 942, 1,047 and 1,186 sq ft. The pricing of each apartment starts from Rs 22.5 lakh onwards.
