## BUSINESS

### ISO TAG FOR VASATHI

Vasathi Housing has been certified as meeting the requirements of ISO 14001:2004 for environmental management and OHSAS 18001:2007 for occupational health and safety management. Vasathi has obtained the certificates in August with the term of the certificate beginning on August 23, 2012 and ending August 22, 2015. "This acknowledges our constant efforts. We are committed to prevention of pollution, enhancing occupational health and safety, which is vital especially for a real estate company," said PV Ravindra Kumar, CEO.
