Hyderabad, Andhra Pradesh, India., October 16, 2012 - (PressReleasePoint) - This festive season, Vasathi Housing has specially designed the offers to provide huge savings to the customers. On booking of an apartment, customers can choose any of the offers - Voltas AC + Kenstar Geyser + Gilma Chimney or Voltas AC + Kent RO or a modular kitchen. The entire proposition is designed not only as festive gifts for the customers, but also to help them save more.

Talking about the offer, Ms. Rajlakshmi Raghavan, General Manager, Marketing, said, "We are pleased to greet our customers with the festive offers and give them a reason to add to their festivities. This is a move to benefit the customers with a choice of exciting add-ons to their newly-bought homes. I am confident that our customers are going to find these offers interesting."

The offer has already been rolled out for the customers of Vasathi Anandi at Appa junction. The model flat is available at the site for the customers for a real-life experience of their living space before booking an apartment.

More about Vasathi Anandi

Vasathi Anandi is a premium gated community with high end amenities spanning a generous 5 acres of land area. With all modern amenities and recreation facilities of a self-contained green residency, the project is located just 2 km from APPA Junction on Outer Ring Road. With Gachibowli -13 km, Banjara Hills -12 km, Mehdiapatnam -7 km and Shamshabad International Airport only 14 km away, the key areas are well within reach.
